(e) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AN© FORESTS (SHRI KAMAL NATH): ta) and (b) Yes, Sir. The Government of ladia's officials had discussions with a Relegation from Australia on 18 October, 1994. These discussions were mainly on the present hazardous waste regulations of both the countries and the implication* of Decision fI/12 of the Second Meeting of the Conference of the **Par-**tics to the Base! Convention on the Con-trol of Transboundary Movement of Hazardous Wastes and their Disposal. According to this decision all transbo-undary movement of hazardous wastes from OECD to non-OECD States destined for final disposal is prohibited with immediate effect [ana]" those destined for recycling or recovery operation* are to be phased out and prohibited from 3! De-cember, 1997.

(c) Waste* are imported into the country essentially as a raw material for recycling and recovery of materials such as metals, oil etc. These wastes are usually available at more economical ratej than virgin material. A large number of secondary manufacturing units in India are dependent on such waste* as-raw materials.

(d) and te) The Government of India Ministry of Environment and Forest*, have notified the Hazardous Wastes (Management **tad** Handling) Rules, 1989, which provides for regulating the generation, collection, storage, transport, treatment, disposal and import of hazardous wastes. According to Rule 11 the import of hazardous wastes from any country to India is not permitted for dumping and disposal, However, import of such wastes may be allowed for proce-ssing or reuse as raw materials, after examining each case on merit. Any imp-port of hazardous wastes would come un-der the purview of these regulations.
